Saint Peter Lutheran Church

# SHARING OUR GIFTS!

Saint Peter Lutheran Church has been proud to participate in the Meals on Wheels program for many years. On the second and fifth weeks of each month, the Meals on Wheels team gathers together in the Fellowship Hall to start prepping.

Team Leader Ann Larson, armed with an exceptional menu, coaches her volunteers as they put together fresh meals to feed local citizens for the weekend. Ann also plans daily meals for the workers after they've spent the morning chopping and dicing vegetables. Scroll down to see how the work gets done!
